**ORDER**

This matter is before the court on defendant's request for appointment of counsel pursuant to 18 U.S.C. § 3006A. Having carefully considered the matter, the court finds that the information provided by defendant fails to demonstrate that defendant is financially eligible for appointment of counsel. Defendant's request is, therefore, DENIED without prejudice. Should circumstances change or should there exist additional information demonstrating that defendant is financially unable to obtain representation, defendant may renew his request at the appropriate time.

This 1st day of May 2015.
